 - ii. Inspect internship venues and sites when necessary;
 - iii. Monitor and assess the student interns periodically;
 - iv. Coach or mentor the student interns;
 - v. Consult and assist the student interns in resolving their needs, concerns, and problems or issues encountered;
 - vi. Validate the result of the internship at the end of the internship period; and
 - vii. Such other tasks as instructed by the College/University.
- g. Monitor and evaluate the performance of the student interns jointly with the HTE based on the Internship Plan;
- h. Provide feedback to the HTE on the overall implementation of the internship, including a post-training review;
- i. Safeguard student interns undergoing internships from harassment, exploitation, deplorable training conditions, and such other conditions that contravene or defeat the purpose of the internship;
- j. Take appropriate action on any complaint against the student intern in accordance with the University's policies;
- k. Establish a Grievance Committee composed of the University Legal Counsel Office (ULCO), OJT Coordinator, Dean and/or representative of the Department with jurisdiction over the student interns, and a representative of the HTE. The Grievance Committee has the responsibility to resolve a complaint by an aggrieved party or settle differences in case of a violation of the training agreement;
- l. Issue a final grade to the student interns upon completion of requirements within the prescribed period in accordance with the University's regulations on grading system and performance assessment; and
- m. Comply with the reporting and other requirements of CHED Memorandum Order No. 104, s. 2017.

4. Duties and Responsibilities of the HTE. The HTE commits itself to:

- a. Accept for internship such a number of students of the University consistent with the requirements of the University;

- c. Orient the student interns on the standard policies, rules, and regulations of the HTE before the signing of the Internship Contract;
- d. Develop and implement an **Internship Plan**, in collaboration with the University;
- e. Ensure that the internship shall be for a maximum of eight (8) hours per day, between 8:00 am to 5:00 pm, Mondays to Fridays only;
- f. Guarantee that the student intern shall not be subject to mandatory overtime (OT) nor be required to work during holidays;
- g. Adjust the modality of the internship program (e.g., from onsite to online or vice versa) as the circumstances may warrant, subject to the prior written agreement of the University;
- h. Provide the student interns with supervised practical training and work experience in accordance with the Internship Plan;
- i. Ensure that the student interns do not perform the tasks and duties of regular positions in the HTE;
- j. Appoint a Supervisor to serve as the focal person responsible for the implementation of all the phases of the Program;
- k. Provide the student interns with adequate facilities as needed to enable them to perform their duties;

6. Force majeure. No Party shall be liable to the other Party in the event that it is unable to perform an obligation under this MOA because of any cause outside of its reasonable control, including acts of God and force majeure.

7. Termination. This MOA may be terminated by either Party after thirty (30) days prior written notice to the other Party on the ground that either Party violated the foregoing covenants and such violations cannot be addressed by the appropriate corrective measures.

This MOA may be terminated at any time upon the written agreement of the Parties.

8. Miscellaneous Provisions

- a. The OJT Coordinator/Faculty Adviser shall determine the duration of the internship and shall inform the HTE of the same through an endorsement letter.
- b. In case the HTE has integrated emerging remote work modalities, including online options, into the internship program, the equivalent hours shall be included in reckoning the total internship hours.
- c. The student intern shall be personally responsible for any and all liabilities, injuries to himself/herself, or property, or persons attributable to his/her own fault or negligence while in the course of his/her training. In this light, the student interns shall hold the HTE free and harmless from any demand, claim, or complaint whatsoever arising from this training agreement, except in cases of negligence, malicious acts, and criminal acts by any of the officers, employees, or agents of the HTE.
- d. This MOA does not constitute any transfer of intellectual property. All intellectual properties owned by the Parties, the use of which they may respectively contribute to the pursuit of this MOA, shall remain their respective properties.

- g. The above provisions shall apply in proportion to the intellectual properties developed by a student intern in case said intellectual property is jointly developed by the student intern with an employee or personnel of the HTE, unless otherwise stipulated in a separate agreement between the student, his or her parents/guardian, and the HTE.
- h. Nothing in this Contract shall be construed as constituting or evidencing a contract of employment or partnership between the Parties.

- i. Any activity that involves the processing of personal data shall comply with the Data Privacy Act of 2012 (or Republic Act No. 10173), its Implementing Rules and Regulations, and other applicable laws and administrative issuances. The parties shall perform any or all actions necessary to facilitate such processing of personal data, including the execution of contracts, securing of consent, and other similar or related acts.
- j. The Parties warrant that they shall comply with all their duties under Republic Act No. 11313, or the Safe Spaces Act, and other related laws, rules, and administrative issuances, including, but not limited to, the establishment of an independent internal mechanism, or a Committee on Decorum and Investigation, and the adoption of a code of conduct prohibiting sexual harassment, describing the procedures of the internal mechanism, or CODI, and stating the imposable sanctions. Each Party further warrants that should it receive a complaint or report of sexual harassment, or should it have knowledge or reasonably know about a possible or impending act/s of sexual harassment by its officers, personnel, employees, agents, authorized representatives, or students (as may be applicable) against the officers, personnel, employees, agents, authorized representatives, or students (as may be applicable) of the other Party, the former Party shall immediately investigate the matter and take the appropriate steps to resolve the situation, eliminate the same act/s, prevent their recurrence, and address their effects.
