| CHARACTER (50%)                                                                                                                                                                                                                    | MAXIMUM RATING<br>TO BE GIVEN                                    | RATING |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------|--------|
| 1. The intern can be trusted with important and confidential information.                                                                                                                                                          | 10%                                                              | 10     |
| 2. The intern shows courtesy and transparency in his/ her dealings with superiors and colleagues.                                                                                                                                  | 10%                                                              | 10     |
| 3. The intern displays responsibility and accountability in doing the assigned tasks.                                                                                                                                              | 10%                                                              | 10     |
| 4. The intern manifests resiliency during critical and difficult circumstances.                                                                                                                                                    | 10%                                                              | 10     |
| 5. The intern shows commitment and hard work in the workplace.                                                                                                                                                                     | 10%                                                              | 10     |
| <b>COMPETENCE (50%)</b>                                                                                                                                                                                                            |                                                                  |        |
| 6. The intern displays thoroughness, accuracy, and completeness in work output.                                                                                                                                                    | 5%                                                               | 5      |
| 7. The intern practices timeliness in the completion of assigned tasks.                                                                                                                                                            | 5%                                                               | 5      |
| 8. The intern manifests sound decision-making and logical thinking in dealing with simple problems related to his/her tasks.                                                                                                       | 10%                                                              | 10     |
| 9. The intern exhibits initiative and perseverance in the performance of duties and responsibilities.                                                                                                                              | 10%                                                              | 10     |
| 10. The intern meets the technical skills required of the student intern by the HTE:<br>Please specify: SYSTEM ADMINISTRATION<br>CAPABLE OF HARDWARE/SOFTWARE TROUBLESHOOTING<br>OS INSTALLATION AND CONFIGURATION (WINDOWS 11 OS) | 15%<br>(distribution of this rating depends on skills specified) | 14.8   |
| 11. The intern shows great potential for employment in the company.                                                                                                                                                                | 5%                                                               | 5      |
| <b>TOTAL RATING (100%)</b>                                                                                                                                                                                                         |                                                                  |        |

Room 323, Third Floor, College of Engineering and Architecture Building,  
PUP A, Mabini Campus, Anonas Street, Sta. Mesa, Manila 1016  
Trunk Line: 335-1787 or 335-1777  
Website: www.pup.edu.ph | Inquiries: https://bit.ly/PUPSINTA

99.8%

THE COUNTRY'S 1<sup>st</sup> POLYTECHNIC

**Further Recommendation for the Student -Intern's Growth:**

THE INTERN HAS SHOWN GREAT RELIABILITY IN ONLY HELPDISK OPERATIONS. FOR FUTURE GROWTH, IT IS RECOMMENDED TO FOCUS ON MASTERING ENTERPRISE-GRADE IT SERVICE MANAGEMENT (ITSM), WHILE STRENGTHENING HABIT OF WRITING CLEAR, COMPREHENSIVE KNOWLEDGE BASE (KB) DOCUMENTATION FOR RECURRING USER ISSUES. THE INTERN WOULD GREATLY BENEFIT FROM LEARNING AND APPLYING SCRIPT LANGUAGES SUCH AS POWERSHELL OR BASH TO AUTOMATE REPETITIVE ADMINISTRATIVE TASKS LIKE USER ACCOUNT PROVISIONING, PASSWORD RESETS, AND SOFTWARE DEPLOYMENTS.

Name of Evaluator : FRANCIS LOSONO  
Designation : IT HELPDISK SUPPORT
